

Are you interested in sales and technology?

We are looking for an intern to support the Sales Manager on the following tasks:

- Sales project management support.
- Pipeline monitoring, HubSpot.
- Technical sales support.
- Learn how to sell “New Space” maritime Communication, globally.

About you:

- You understand and like IT software and hardware.
- You are comfortable talking to strangers.
- You enjoy being surrounded by many different cultures and nationalities.
- You are fluent in English; other languages are a plus.
- You are willing to stay with us for a minimum of 12 weeks.
- You would like to work physically in Aalborg.

What we offer:

- A seat in our great office.
- Direct contact to all departments so you can learn a bit about everything.
- Knowledge about marketing, sales, satellite technology, and the maritime industry.
- You will get the chance to be independent and run your own activities.
- Flexibility.
- If you have a job, we can offer alternative working hours.
- Nice environment with international people in high spirits.

Who are we and what do we do?

We are the first Danish satellite operator. We want the oceans to be a safer and greener place and we do that by fulfilling the needs of communication in the maritime sector.

Does it sound interesting?

Please, write a short application where you share your experience, availability, and a CV to: application@sternula.com
